SKILLS

- Excellent Project Manager
- Excellent Javascript
- Excellent Vue JS
- Excellent Laravel

VISION

Become a leading programmer providing innovative and reliable technology solutions, helping businesses grow through efficient and result-oriented application development.

MISION

Create innovative applications and systems, adapting to client needs to increase the productivity and efficiency of their business.

PROFILE

Hello! I'm Deni Maulana. I'm a programmer with a passion for crafting innovative technology solutions. I bring a strong background in software development and a deep understanding of programming languages such as Laravel, Codeigniter, Wordpress, JavaScript and Mobile Apps. My career has involved a wide range of projects, from developing responsive web applications to building efficient backend systems. I also have experience in performance optimization and enhancing security in software development. Moreover, I thrive in teamwork and collaboration across various disciplines, including UI/UX designers and business experts, to achieve common goals. I believe that effective communication and creative thinking are key to success in the tech world. I'm always open to new opportunities in the realm of software development that allow me to continue growing and contributing to exciting projects. Let's connect and discuss how I can help create outstanding technology solutions for the challenges at hand

WORK EXPERIENCE

Senior Website Developer

2018 - Present

- Collaborate with users to gather requirements for systems.
- Design and develop systems using appropriate technologies and methodologies
- Designing business suggestion, and ensuring that implemented projects meet the identified business objectives and needs

MY CLIENT

MY PROJECT

1. Imora Support System

Imora Support System is an Enterprise Resource Planning (ERP) system designed to help businesses manage various operational aspects in an integrated manner. Here's a brief overview of Imora Support System:

What is Imora Support System?

Imora Support System is an ERP platform that provides comprehensive solutions for managing and optimizing business processes across multiple departments. By leveraging technology, the system integrates various business functions into a single, accessible platform.

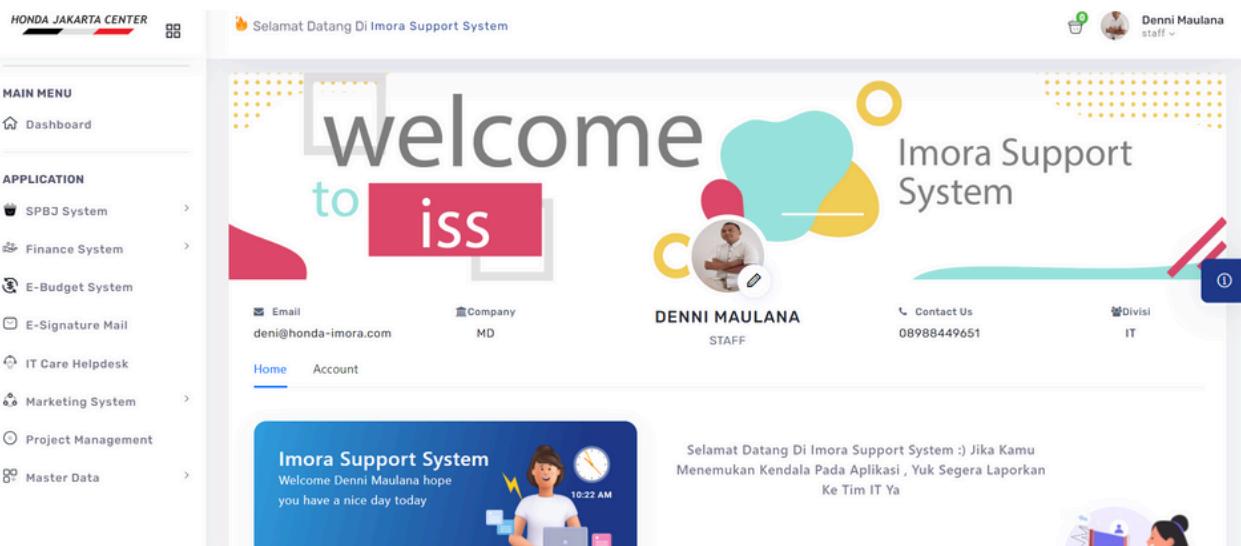

Key Features:

1. Purchase Orders
2. Finance System
3. E-Budget Reporting
4. IT Care Helpdesk
5. Project Management
6. Signature Mail
7. Marketing System
8. etc

Benefits of Imora Support System:

- Operational Efficiency: Minimizes data duplication and manual processes, thereby increasing operational efficiency.
- Enhanced Decision-Making: Provides real-time insights and reports to aid strategic decision-making.
- Better Control: Offers greater control over business processes through a unified, integrated platform.

Imora Support System aims to simplify and optimize business processes, provide better visibility, and support company growth with an integrated and efficient ERP solution.

2. Yogafit Membership & CRM

Yogafit Membership & CRM is a specialized software solution designed for managing memberships and customer relationships in a fitness or yoga studio environment. Here's a brief overview of its features and benefits:

What is Yogafit Membership & CRM?

Yogafit Membership & CRM is a comprehensive platform tailored to help fitness centers, yoga studios, and wellness businesses manage their memberships, track customer interactions, and optimize their operations. It combines membership management with customer relationship management (CRM) to provide a unified solution for business growth.

Key Features:

1. Membership Management
2. CRM Capabilities
3. Booking and Scheduling
4. Payment Processing
5. Analytics and Reporting
6. Integration and Customization

Benefits of Yogafit Membership & CRM:

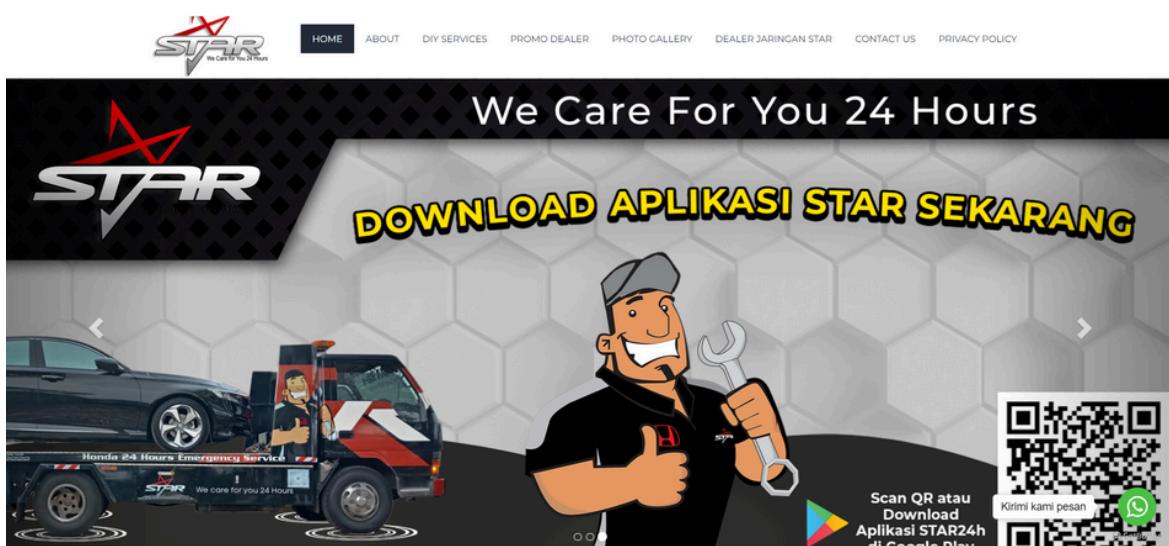

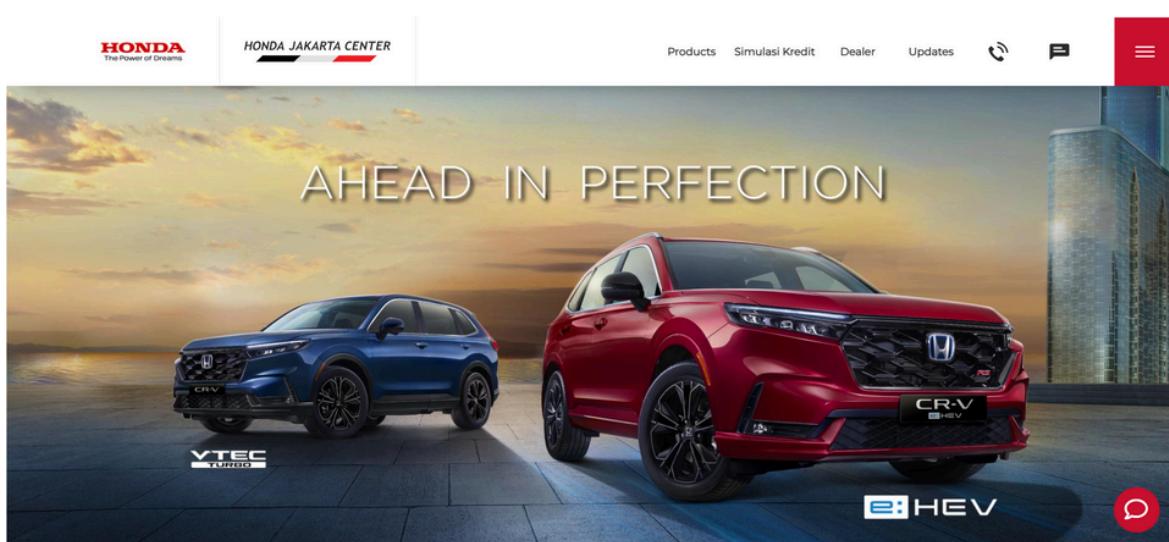

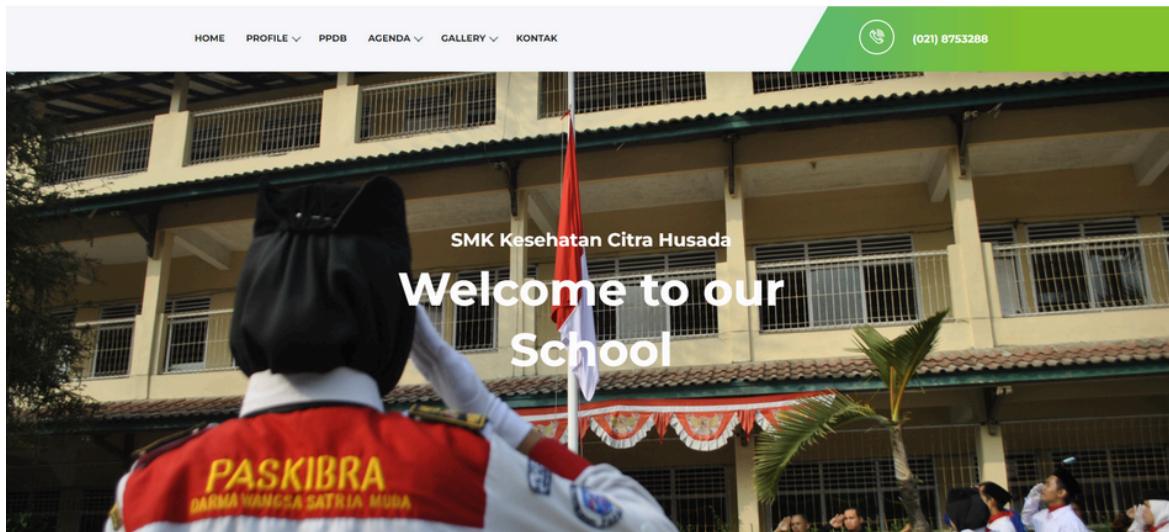

- Streamlined Operations: Centralize membership and CRM functions in one platform, reducing administrative workload.
- Enhanced Member Experience: Improve member engagement with easy booking, personalized communication, and responsive support.
- Data-Driven Decisions: Utilize analytics and reporting to make informed decisions and drive business growth.
- Increased Efficiency: Automate routine tasks such as billing and reminders, allowing staff to focus on delivering excellent service.

Yogafit Membership & CRM is designed to optimize the management of memberships and customer relationships, helping fitness and yoga businesses operate more efficiently and effectively while enhancing the overall member experience.

The screenshot shows the Yogafit CRM Dashboard. On the left is a sidebar with navigation links: CRM Leads, Dashboard CRM Leads, Detail CRM Leads, Leads Hipsus, Booking & Schedule Class, Target, Pembayaran, Cafetaria, Members, and Report & Analytics. The main area has a title "CRM Database Summary Semua Studio 1 Jan 2024 s/d 28 Jul 2024". It includes a "Sales Performance Dashboard" with a chart showing Sales Revenue (Rp 902,580,209 (8 %)), a "Sales Achievement" section with "New Members By Unit" (256) and "Upgrade Members" (23), and a "Sales Summary" section with Trial Appointment: 33, Trial Show: 22, Trial Converted: 8, and a target of Target Rp 70,000,000. Below these are two tables: "Sales Achievement" and "Achievement Monitoring". The "Achievement Monitoring" table has columns: NO, SALES NAME, TARGET UNIT, TARGET SALES, ACT UNIT, ACT SALES, % ACT UNIT, and % ACT SALES. It contains two rows: Admin CRM (0, 0, 0, 0, 0, 0, 0, 0) and Tika (0, 0, 0, 4, Rp 75,196,000, 0%, 0%, 0%).

The screenshot shows the Yogafit Booking and Scheduling interface. At the top is a "Welcome To Yogafit" banner with "Book Now!" button. Below it is a calendar for Sunday, 28th July 2024, showing days from Sun to Sat. A "Search Class Schedule" form is overlaid on the calendar. It includes fields for Filter Studio (Semua Studio), Filter Level (Semua Level), Filter Class Kat (Semua Class Kat), and a table for searching classes by Id, Time, Class, Type, Studio, Teacher, and Action (Book). The table shows a single row for a class at 8:30 AM - 9:30 AM, taught by Master Hardiyan in Surabaya.

3. Company Profile

4. Sales Management System

The screenshot shows a dashboard titled "Summary Jul 2024". It includes a bar chart for "Grapich Keuangan Jul 2024" with Y-axis "Rupiah" from 0 to 200,000,000. The chart has four bars: one blue bar at ~40M, one yellow bar at ~170M, one green bar at ~120M, and one orange bar at ~5M. Summary metrics are displayed: "Rp 0 Pemasukan", "Rp 0 Pengeluaran", and "Rp 0 Total Keuangan". A sidebar on the left shows "Hello Niko" with "Total Saldo Akhir Rp 59.259.452" and a "Recent Sales PIC" section showing "0 Transaksi Belum Lunas".

The screenshot shows a dashboard titled "Summary Data Sales Askara Aktiv". It includes a bar chart for "Chart Sales Year 2024" with Y-axis "Rupiah" from 40 to 90. The chart has four bars: one blue bar at ~75M, one yellow bar at ~50M, one red bar at ~58M, and one blue bar at ~82M. Summary metrics are displayed: "Total Sales By Invoice 16 Invoice", "Total Sales By Product 18 Sales Product", "Total Income Rp 6.572.600,-", "Total Profit Sales Rp 3.476.459,-", and "Total Profit Rp 3.476.459,-". A table titled "SALES STORE BY INVOICE" lists stores with their total sales: IX Pilates (4), Yoga Fit PIK (3), Askara Bogor (6), Yoga Fit Gandaria (1), Yoga Fit Pluit (1), and Yoga Fit Kelapa Gading (1). A "Color Scheme" button and "Dark Mode" switch are at the bottom.

5. Computer Based Test

The screenshot shows a dashboard titled "Home". It includes a "Welcome DISKA ARIFIANI" section with "Selamat Datang Di Imora Computer Based Test" and a score "17.36.03". A "ToDay Schedule" section shows "Tidak Ada Schedule". A main panel titled "Daftar Ujian" displays "PERIODE 2 TESTING" with details: Tanggal Ujian : 12 Jul 2024, Jam Ujian : 10:30 s/d 05:30, Status : Remedial. A "Kerjakan Remedial" button is present. Navigation icons for "Daftar Ujian", "Bank Soal", "E-Learning", and "Profile" are at the top right. A page footer shows "Showing 1 to 2 of 2 entries" and a page number "1".

6. Others Apps

The screenshot shows a web-based dashboard with a dark sidebar and a light main area. The sidebar includes a user profile for 'ADMIN STAR' (admin@star-24h.com) and links for Home, Dashboard, Members, Promotion, Transaksi, and Master Data. The main area has a header 'Home' and 'Logout'. It features a summary card for 'Period Semua Data' with filters for '2024/7/28 - 2024/7/28' and a 'Filter' button. Below this are six summary boxes: Total Member (9286), Member Aktif (4072), Member Tidak Aktif (5214), Transaksi Service (3422), Redeem Point (3), and Promo Aktif (0). Two tables follow: 'MEMBER EXPIRED 7 HARI LAGI' showing three entries with IDs MHRDD1890MJ105790, MHRRU1860JJ802851, and MHRRW1880JJ810492; and 'PROMO EXPIRED 7 HARI LAGI' which is currently empty.
